

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Officers

18 December 1981

NOTE FOR Mr. Lehman

Here is a one page addition to the paper for Casey. If you must cut to fit it in, some of the portions on the USSR perhaps could be shortened. Also, I would like to accompany the Director along with other NIOs listed, since he is likely to get questions on Taiwan arms sales, Kampuchea, or Korea.

David D. Gries
